EXECUTIVE SEARCH AND ORGANIZATIONAL DEVELOPMENT

Warsaw, 14th February 2014

Between 6.12 and 14.12.2013 Euro Asian Foundation for Business Education was an organizer of study trip to China. The trip included five cities: Beijing, Tianjin, Ningbo, Taizhou and Shanghai.

There were well prepared conferences in Foreign Affairs Offices of Municipal Governments in individual cities. At the same time, organizer has arranged meetings with companies interested in possible cooperation – after earlier briefing of the trip participants.

All of the visits were accompanied by interesting cultural – touring program.

I am very impressed by the quality of organization – both in substantive and logistic aspect.

President Grzegorz Calik has a well-established contacts based on long-term cooperation with different authorities in China both on the local and national level.

Euro Asian Foundation for Business Education guarantees high level of organization and possibility of establishing effective cooperation.

Sincerely,
