

MUNICIPAL OFFICE OF STRAWCZYN

Strawczyn, 10.04.2011

REFERENCE LETTER

Municipal Office in Strawczyn took part in a program organized by the Polish - Chinese Foundation for Promotion of Culture and Art DONG FENG aimed at exchange of the representatives of the individual Polish and Chinese municipalities.

The program assumed exchange of experiences between representatives of Polish and Chinese municipalities, mutual familiarizing with each other's administrative structure, organization of work, investments possibilities as well as establishment of cooperation between local business representatives.

An important goal was also establishment of cooperation between local business representatives of both parties.

From 28.03 to 04.04 .2011, a delegation of Municipality Strawczyn represented by Mayor and three entrepreneurs, stayed in China, Zhejiang province.

During the meetings organized by the Foundation with representatives of administration and visits in the local work places, we familiarized with activities of local structures and with the possibilities of the local market .

The result of our trip was signing a Letter of Intent with the Mayor of Xianju county .

Principle of cooperation and fields of interest of both parties have been established.

We are very satisfied with the organization of the trip, which enabled us to establish contacts with the Chinese partners.
